McIntyre, Mrs. Jessie

January 28th, 1915

Mrs. McIntyre,

Lindsay.

Dear Mrs. McIntyre:

I should be very glad to go to Lindsay and give an address, but the day that you suggest, February 19th, is already occupied by reason of a promise that I have made to speak that night in Peterborough. I am afraid that my address would be rather too long for an evening in which you also have a concert, as it would probably occupy forty minutes. If I am able to meet your convenience at any other time I shall be glad to try to do so.

Yours sincerely,

President.

Rev. R. A. Falconer
Toronto

Dear Sir

We are delighted at the prospect of having you lecture for us some time in the near future.

How would the 18th do? Then you could go to Peterboro from here.

However just name a date that suits you best. and your address & forty minutes will not be too long as the musical part will only be two or three numbers by our orchestra.

Yours very sincerely

Jessie Mac Dukes

Mrs. MacIntyre,

Lindsay.

Dear Mrs. MacIntyre:

I am directed by President Falconer to acknowledge the receipt of your letter and to say that the 18th of February will not be a convenient day for him, as he is in Montreal.

As the President leaves on Monday for a week in the United States he will be unable to set a date for Lindsay until his return, February 8th. I shall write you again then.

Yours very truly,

Secretary.
